

Steam University - Faculty of Arts

February 8 (Sat) From 11:00 & 13:00 (2 sessions) : Bamboo Workshop

**Create your own bamboo basket!**

**Learn how to knit bamboo using a simple design to make a beautiful object.**

**You can take away your own production and put flowers, or anything you want in it (the basket fits for just five mandarin!)**

**The great technique of the Beppu resident bamboo master, Takayuki Shimizu, is a must-see!**

**Takayuki Shimizu** (bamboo craftman)

He has gained a lot of experience about bamboo craft, especially in Southeast Asia and India. After returning to Japan, he studied notably under the direction of bamboo master, Morigami sensei.

Takayuki Shimizu has become an independent Bamboo craftman since 2007.
